

# Essential Electric Standing Desk Split Top 48x24

**vari.**<sup>®</sup>

The Essential Electric Standing Desk Split Top 48x24 is the budget-friendly sit-stand solution designed to elevate your home office workspace. The split-top design allows the desktop and legs to ship together in one box. The sturdy, T-Style legs provide stability and smoothly lift the desk to any height from 27 ½" - 47 ½". The programmable memory settings allow you to set your favorite heights for sitting or standing, and the laminate desktop is durable and easy to clean.

- All Tools and Hardware Are Included for Easy Assembly
- 4 Programmable Memory Settings with LED Display
- T-Style Legs for Stability
- Smooth, Two-Stage Lift from 27 ½" to 47 ½"
- Supports up to 150 lb (68 kg)
- Tested to BIFMA Standards

Height Settings:  
27 ½" (70 cm) to 47 ½" (120 cm)
